Information for people with walking difficulties and wheelchair users

All areas relevant for testing meet the quality criteria of the label "Accessibility certified – accessible for people with walking disabilities and partially accessible for wheelchair users".

Some **information on accessibility** are listed below. For detailed information please see the evaluation report.

- There is a marked parking space for people with disabilities in the underground car park (space size: 350 cm x 500 cm).
- The Mintropplatz tram stop is about 100 m away.
- The path from the underground car park to the lift is 50 m long.
- All rooms and facilities that can be used and raised for the guest are accessible without steps or via two lifts of identical construction.
- The lift cabin is 108cm x 200 cm. The lift door is 90 cm wide.
- Lift 1 runs from the basement to the 7th floor, lift 2 from the ground floor to the 7th floor.
- Almost all doors/passages that can be used by the guest and are raised are at least 90 cm wide. Exception: The bathroom door in room 206 is 80 cm wide.
- The reception is 114 cm high at the lowest point. There is another, equivalent communication option available while seated.
- In the breakfast room there are tables that can be moved underneath (maximum height 80 cm, can be moved underneath at a height of 67 cm and a depth of 30 cm).
- Aids offered: pillow vibration alarm, evacuation chairs

Barrier-free designed Room 217 (double room, 2nd floor)

- The movement areas in front of/behind the door are at least 150 cm x 150 cm.
